Job Description

Registered Estate Manager

Department	Reports To	Work Location
Services	Care Performance Manager	Development

Purpose:

To take overall responsibility for the operational running of the development. Manage a proactive and dedicated team to enable residents to live independently and actively and to uphold our commitment to high-quality care. Ensure their safety, coordinating activities, and fostering a welcoming atmosphere. As the CQC registration holder the role will require supporting the staff to deliver the care needs of our residents and provide additional services. Working alongside our sales and rental teams, to ensure the available apartments are filled so that our vibrant community is maintained.

Key Responsibilities

The post holder is accountable to the Operations Manager for the following:

- Taking overall responsibility for the day-to-day operational running of the development.
- Leading, directing, supervising, and supporting staff teams to provide a range of services which can respond flexibly to the needs of individual residents.
- Promoting care and support services to our residents within the development and the locality.
- To be registered with the Care Quality Commission.
- Assessing the support and care requirements of prospective residents and maintain appropriate records.
- Undertaking regular reviews of residents' requirements in liaison with families and other professionals where appropriate.
- Ensuring compliance with CQC registration, regulations, and guidance.
- Working with the Talent Acquisition Team to recruit and onboard new staff
- Working with the People Team to deliver effective supervision and performance management of staff.
- Assisting in the internal audit and quality assurance processes to provide a high-quality care and support and estate management function for the residents.
- Ensuring that the Company's policy and procedures are implemented.
- Ensuring that complaints are responded to promptly and monitoring the steps to resolution.
- Ensuring compliance with Health and Safety within the development, maintaining a safe and healthy environment for residents, staff and visitors, and managing emergency situations appropriately.

- Ensuring that all financial policies and procedures are fully maintained and effectively managing the development budget.

Key Tasks:
Development Management:

- Monitor the provision of services and facilities, including all communal areas and the guest suite.
- Ensuring the well being of the residents in the development.
- Hold regular meetings with the Catering Manager to monitor catering at the development and liaise with the Chef/Cook to ensure the smooth running of the catering service.
- Liaise with our Property Operations to ensure that all repairs are attended to promptly.
- Liaise with Property Operations, ensuring equipment maintenance and redecoration programmes are completed on schedule with the minimum disruption to the residents.
- Organise and monitor the performance of third party contractors.
- Monitor budgetary systems for catering, domestic assistance and personal care.
- Ensure that accurate use and recording of services received by residents and the subsequent production of invoices.
- Promote and support the formation of a Residents' Association.
- Actively promote the development and the Your McCarthy Stone brand within the local community.
- Assist with the resales and rentals of apartments by arranging to show interested parties around the development and to ensure the 'sparkle cleans' are undertaken before the resident moves in.
- Respond to any emergency during hours of work.

Care and Support Services:

- Provide information and support to enable residents to live independently. Including promotion of additional services as appropriate.
- Assist the residents to arrange a variety of social activities as required.
- Provide a care and support response tailored to meet the identified needs of individual residents, liaising with health and social care professionals as needed.
- Liaise with other third parties such as family, neighbours, volunteers etc. as necessary.

Staffing:

- Work with the People Team to recruit and onboard an effective team that matches the Your McCarthy Stone staffing model.
- Ensure that all staff receive Induction Training and other training and development opportunities.
- Ensure appropriate staffing numbers are met at all times and that staff rosters are effectively covered.

- Undertake and delegate appraisals and the effective supervision for the team.
- Ensure effective performance management, addressing poor practice and dealing with grievances and disciplinary issues as required.

Policies & Procedures:

- Ensure that all internal audits are completed and flagged appropriately.
- Ensure that the company's Policies and Procedures are implemented, audited and reviewed to keep up to date with service developments, with specific reference to quality and safety.
- Ensure that all statutory and regulatory requirements are met.
- You will respond and co-operate with National, County and the Corporate safeguarding policies and procedures.

General:

- Work in accordance with McCarthy Stones values.
- Undertake other such duties that may be required by the Senior Leadership Team.
- May be required to undertake duties in other locations operated by the employer.
- You will maintain both a professional and hygienic appearance.
- You will work in line with the policy on Infection Prevention and Control, according to your role.

Person Specification:

Knowledge & Experience:

- Estates Management experience or domiciliary care experience
- Experience of working with older people and understanding their needs
- Experience of working in an operational management role
- Maximising income through selling services
- Budget management and cost control
- A good understanding of Microsoft Office programmes
- Knowledge of the statutory and regulatory requirements and their relevance
- Experience of assessment and care planning

Qualifications:

- Hold a Level 5 Diploma in Leadership for Health & Social Care or will be completing within 6 months OR hold a Registered Managers Award
- Good levels of literacy and report writing
- Demonstrate a commitment to CPD

Leadership:

- Experience of evaluating service delivery
- To lead and manage a team
- Problem solving skills

- Ability to deal with emergency situations
- Excellent time management and prioritising own workload

Other:

- Emergency response to incidents at the development
- Facilitate and attend social events and attend meetings as required
